Anyone can make a referral such as parents & the community agency. The referral is made by contacting the facilitator to complete the appropriate referral paperwork.	A parent can self-refer by completing the referral form. This can be obtained at multiple agencies within the community or from the facilitator. The completed form is then given to the facilitator.	A family can at any time request a parent advocate. Also on the referral form, there is a question that asks if they would like a parent advocate.	The first step in disagreement would be to notify your case manger. If you are still unhappy with this decision you can file a grievance with the Family & Children First. The final decision will occur no later than 60 days.	<p>Jodie Brewer Title: DAT Facilitator</p> <p>Phone: 937-497-2815</p> <p>Email: jkbrewer2@earthlink.net</p>
