

# Wyandot County Family and Children First Council Shared Plan for SFYs 12-16

## Shared Plan Update for SFY 16

**Current FCFC Initiatives:**

Help Me Grow, Central Coordination, FCSS, Strengthening Families, The Incredible Years, Parents As Teachers, The WAY (Wednesday Afternoon Youth group), Wrap Around and Service Coordination

Were there any modifications from last year's plan? Yes                      No

If yes, please identify the types of changes made by checking the appropriate boxes below:

Priorities

Outcomes

Indicators

Strategies

1. Identify any barriers in implementing the plan (i.e. data collection, data tracking, funding, infrastructure, etc.)

Reduced collaboration with Juvenile Court

Lack of infrastructure and personnel to continue programming

2. Identify any successes/how implementing this plan has worked to strengthen the council and county collaboration.

Family Support successes:

Increased participation and completion in both Strengthening Families and The Incredible Years

Expansion of subscribers to the Community Calendar

Continued use of Red Tree House

Continued collaboration with United Way 211

Learning and Connect series attendance increase

Family Fun Fair continued growth and success

Substance Abuse:

Expanded Life Skills to all county schools due to local MHR SB funding

Expanded in school counseling due to MHR SB funding

WAY - increased participation Wyandot County Wednesday Afternoon Youth mentoring program for middle school youth

CARSA - (Community Action Reducing Substance Abuse) tobacco and alcohol seller education and compliance checks

**Report on Indicator Data** (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Family Support

| Indicator(s):                            | Baseline Data                   | Current Year Data               | Direction of Change (+, -, NC) |
|--|---------------------------------|---------------------------------|--------------------------------|
| Increase awareness of available services | Data 79%<br>Year of Data: 2012  | Data 87%<br>Year of Data: 2015  | +                              |
| Increase Awareness of available services | Data: 85%<br>Year of Data: 2013 | Data: 85%<br>Year of Data: 2014 | NC                             |
|  | Data:<br>Year of Data:          | Data:<br>Year of Data:          |                                |

3. List the data source(s) for the indicator(s):

Results of the Wyandot County Health Assessment survey indicates an increase awareness of available services over the past three years. According to PFS results, there has been no change in the amount of available services and support over the past year

4. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Continue current programming and education

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Reduce Substance Abuse

| Indicator(s):  | Baseline Data                   | Current Year Data               | Direction of Change (+, -, NC) |
|--|---------------------------------|---------------------------------|--------------------------------|
| Decrease rate of youth who reported using alcohol the past month | Data 32%<br>Year of Data: 2012  | Data: 20%<br>Year of Data: 2015 | -                              |
| Decrease binge drinking the past 30 days                         | Data: 16%<br>Year of Data: 2012 | Data: 13%<br>Year of Data: 2015 | -                              |
| Decrease use of marijuana in the past thirty days                | Data: 8%<br>Year of Data: 2012  | Data: 6%<br>Year of Data: 2015  | -                              |

3. List the data source(s) for the indicator(s):

Results of the Wyandot County Health Assessment survey indicates all indicators have decreased from 2012 survey to 2015 survey

4. Identify any key findings

Continue current programming and education
