**Ohio** | Department of Education

The Ohio Departments of Mental Health & Addiction Services (OhioMHAS), Health (ODH) and Education (ODE) are excited to announce the first Ohio Prevention & Early Intervention Conference.

The goal of this conference is to build the capacity of Ohio's prevention, early intervention, home visiting and treatment workforce for children and families. This collaborative effort merges the Ohio Prevention & Education Conference (OPEC) with the Ohio Early Childhood Mental Health Conference.

Sponsors include the OhioMHAS Bureaus of Prevention, Children & Families and Problem Gambling; the ODE Center for P-20 Safety and Security; and the ODH Bureau for Children with Developmental and Special Health Needs.
