1. Identify any barriers in implementing the plan (i.e. data collection, data tracking, funding, infrastructure, etc.)

Council is in discussion with David Kontur, Lucas Co FCFC Coordinator, to secure him as the facilitator for a possible fall 2017 Council retreat. The funding barrier described above may be alleviated with Dave Kontur facilitating the retreat as he has offered a creative approach to funding his time.

2. Identify any successes/how implementing this plan has worked to strengthen the council and county collaboration.

Although not happening as quickly as anticipated, much thought and consideration is being put into the proposed Council retreat for the October 2017.

With either method, baseline data is schedule to be completed by September 2017.
 Baseline OCBF Application Attendance Date was taken from completed SFY 2017 application. Current year data will be taken once SFY 2018 application is completed.
