**Were there any modifications from last year's plan? Yes  No**

**If yes, please identify the types of changes made by checking the appropriate boxes below:**

X      Indicators    moving on with plan

Strategies

1. Identify any barriers in implementing the plan (i.e. data collection, data tracking, funding, infrastructure, etc.)  
Survey will be developed 2018. We are currently working on recruitment to increase membership which will then strengthen and improve our Programing. We have no barriers at this time.
  
2. Identify any successes/how implementing this plan has worked to strengthen the council and county collaboration.  
The implementation and evaluation of survey with completion will increase and strengthen agencies' communication and collaboration. We have not completed the survey yet so we don't know the successes.

**Report on Indicator Data** (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).
