

Hardin County Family and Children First Council Shared Plan Update for SFYs 17-19

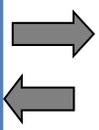

Current FCFC Initiatives: Service Coordination, Family Stability, EI Service Coordination, Substance Abuse, Mental Health, Employment and Child Wellness

Mental Health

- 1 There will be a 10% increase in the number of Teen Screen referrals
- 2 100% Hardin County school staff will be trained in Suicide Prevention programming.
- 3 One new school district per year will be certified in Mental Health First Aid.
- 4 Add one School District using PAX Good Behavior Game
- 5 10% increase of new mother's screen for maternal depression

- 1 Increase number of Hardin County students who are involved with Teen Screen through Family Resource Center
- 2/3 Hardin County school staff will participate in Mental Health Suicide Prevention
- 4 Decrease disruptive behaviors related to ADHD in the classroom.
- 5 New mothers will be screened for post-partum depression.

Family Resource Centers will administer the Teen Screen program

PVFF will administer the Mental Health First Aid training and Lifeline Suicide Prevention

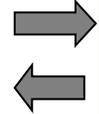

MHR SB will support additional PAX coaches and teacher trainings

HMG will administer the Edinburgh assessment to all new mothers

Children Wellness including nutrition and physical activities (Lifestyle)

- 1 100% of Hardin County schools and head start classrooms will be offered SNAP-Ed nutrition education.
- 2 10% increase in annual health fairs and activities
- 3 10% increase in farmers' market

- 1 Nutrition education will be provided to Hardin County students and their parents.
- 2 Provide community opportunities that inspire healthier lifestyles
- 2/3 Provide public information that promotes family activities

Hardin County Healthy Lifestyle Coalition

Were there any modifications from last year's plan? Yes No

If yes, please identify the types of changes made by checking the appropriate boxes below:

Removed employment priority due to staff and funding changes

Outcomes – added quantitative targets to outcomes

Indicators

Strategies – Hardin County Healthy Lifestyle coalition is a new coalition with little data to support their new initiatives

1. Identify any barriers in implementing the plan (i.e. data collection, data tracking, funding, infrastructure, etc.)

Data for employment priority had not been available due to staff and funding changes

Not all classrooms are willing to use PAX so other class room strategies will be explored

2. Identify any successes/how implementing this plan has worked to strengthen the council and county collaboration.

County Health Improvement plan was approved in April 2017

Hardin County Healthy Lifestyle Coalition conducted an assessment to identify gaps and assets in services for a substance abuse committee, chronic disease committee and walking path committee to promote healthier lifestyles in Hardin county.

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Evidence based prevention programs will be introduced to middle schools and high schools in Hardin Co.

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Implement preventative activities that are provided across the county in the effort to reduce the usage for adults and children.	Data: Year of Data:	Data: Year of Data:	
Track number of individuals who perceive substance abuse as harmful.	Data: Year of Data:	Data: Year of Data:	
Establish and maintain sober living environments	Data: Year of Data:	Data: Year of Data:	

3. List the data source(s) for the indicator(s):

Information about activities was reported on in FCFC meetings with no hard data to support reports.

4. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Due to lack of data, FCFC will work with each committee to report solid data that supports each indicator. Due to staff changes in July, there was no data reported.

DOSS program that has been established (Drug Overdose Survivor Support) in the fall of 2017 to help survivors maintain sober lifestyle

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Pilot the Let’s Talk program in Hardin County school districts

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Evidence based substance abuse prevention programs will be implemented in county middle and high schools.	Data: Year of Data:	Data: one school district added Year of Data: 2017	+
	Data: Year of Data:	Data: Year of Data:	
	Data: Year of Data	Data Year of Data:	

5. List the data source(s) for the indicator(s):

As reported in FCFC meeting

6. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

FCFC will report what schools have and what schools have not been included in this indicator for future reporting.

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Provide trainings for businesses that serve and sell alcohol

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Businesses will be aware of Ohio Law in regard to alcohol sales.	Data: Year of Data:	Data: 2 trainings Year of Data: 2017	+
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

7. List the data source(s) for the indicator(s):

MHR SB reported during FCFC meeting

8. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Number of Teen Screen referrals will be tracked

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Number of Hardin County students who are involved with Teen Screen through Family Resource Center	Data: Year of Data:	Data: 124 screened Year of Data: 2017	+
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

9. List the data source(s) for the indicator(s):

Reported in FCFC meeting

10. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Of the 124 screened, 27 were referred for further treatment.

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Hardin County school staff will be trained in Suicide Prevention programming.

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Hardin County school staff will participate in Mental Health Suicide Prevention	Data: Year of Data:	Data: 100% Year of Data: 2017	+
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

11. List the data source(s) for the indicator(s):

As reported by MHR SB representative to FCFC

12. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

All schools in Hardin County have been trained in the suicide prevention program offered by MHR SB in the fall of 2017

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: School districts will be certified in Mental Health First Aid

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Hardin County school staff will participate in Mental Health Suicide Prevention	Data: Year of Data:	Data: 100% Year of Data: 2017	
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

13. List the data source(s) for the indicator(s):

As reported by MHR SB representative to FCFC

14. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

All schools in Hardin County have been trained in the suicide prevention program offered by MHR SB in the fall of 2017

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: school districts using PAX Good Behavior Game

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Disruptive behaviors related to ADHD in the classroom.	Data: Year of Data:	Data: 1 school Year of Data: 2017	
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

15. List the data source(s) for the indicator(s):

As reported to FCFC

16. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Ada school was trained in the PAX program. Not all schools are willing to use this program in their school building.

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: new mother's screened for maternal depression

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
New mothers will be screened for post-partum depression	Data: Year of Data:	Data: Year of Data:	
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

17. List the data source(s) for the indicator(s):

No data was available for this indicator

18. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: Hardin County schools and head start classrooms will be offered SNAP-Ed nutrition education

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Nutrition education will be provided to Hardin County students and their parents.	Data: Year of Data:	Data: Year of Data:	
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

19. List the data source(s) for the indicator(s):
DATA on numbers served was not available.

20. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):
This is a new priority based on new coalition and work did not begin on this priority until late spring of 2017. SNAP ED was offered to WIC families and Head Start classroom. No baseline information available due to new coalition

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: annual health fairs and activities will be provided

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Provide community opportunities that inspire healthier lifestyles	Data: Year of Data:	Data: 6 event held Year of Data: 2017	nc
Provide public information that promotes family activities	Data: Year of Data:	Data 6 event held Year of Data: 2017	nc
	Data: Year of Data:	Data Year of Data	

21. List the data source(s) for the indicator(s):

Hardin County Healthier Lifestyle coalition was established in the beginning of 2017 with the strategic plan developed in April 2017. All activities for this indicator were completed in 2017 with no baseline available in prior years.

22. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):

New coalition that FCFC supports but need to find way to mesh priorities with other established priorities and all work together.

Report on Indicator Data (Provide data for each outcome indicator listed on the Shared Plan. List only ONE outcome per page. This page can be duplicated as needed).

Shared Outcome: farmer’s market vendors

Shared Measurement Indicator(s):	Baseline Data	Current Year Data	Direction of Change (+, -, NC)
Provide public information that promotes family activities	Data: Year of Data:	Data: Year of Data:	-
	Data: Year of Data:	Data Year of Data:	
	Data: Year of Data:	Data Year of Data	

23. List the data source(s) for the indicator(s):
There was no data available for this indicator

24. Identify any key findings (explanation of data findings; FCFC actions taken in response to key findings, etc.):
