Indicators – Kindergarten Parent Report Survey began September 2016 for SFY2017 baseline measurement.

Strategies

1. Identify any barriers in implementing the plan (i.e. data collection, data tracking, funding, infrastructure, etc.)

Parent Report Survey of Kindergarteners Pre-School activities baseline data unable to collect until September 2016.

Barriers for SFY19 Parent Report Survey may encounter “Educational Budget Language” that would be a barrier in collecting future Parent Report Survey information.

Barrier in accumulating Shared Measurement data in a timely manner occurred. FCFC Coordinator received and emailed 9/5/17.

2. Identify any successes/how implementing this plan has worked to strengthen the council and county collaboration.

Henry County FCF Council members worked successfully together in collaboration among community partners to identify county needs and in implementing and reporting of the Shared Priority and Plan.
